### Program Status for Public Disclosure

#### Implementation Status Overview

This is the second ISR following the Program Launch which took place in Mbale Municipality on October 22, 2013. The USMID Program was approved by the Board on March 18, 2013, signed on May 22, 2013, and declared effective on September 4, 2013 after Government of Uganda (GoU) fulfilled the condition of effectiveness, and launched on October 22, 2013.

As planned, USMID disbursed US\$26.47 million as of January 2014, against the disbursement linked indicators (DLIs). This is a combination of the results delivered by the 14 participating municipal LGs (as captured under the performance against DLIs 1, 2 and 4) and the Ugandan central government (as captured against DLIs 5, 6 and 7). DLI 3 is to be assessed at the end of the second year of the Program implementation. Results achieved in the first year include (i) DLI 1 - the 14 LGs fully complying with Program's institutional minimum access conditions which include

financial management, procurement, governance and budgeting areas; (ii) DLI 2 - the 14 Program LGs improving their institutional performance and building capacity and scored an average of 60% against a target of 50% in the first year; (iii) DLI 4 – All 14 participating municipal LGs had an approved capacity building plan, (iv) DLI 5 - the central government provided rigorous institutional building support to Program LGs to allow them meet the Program minimum access requirements and prepared a robust capacity building plan to address the Program action plan; (iv) DLI 6 – all 14 Program LGs had the Town Clerks and all the core and technical staff capacity to deliver on the Program; and (v) DLI 7 – all participating municipal LGs had functioning public financial management systems in place.
