GENERAL PUBLIC

TEMPORARY CLOSURE OF THE KCCA LAND REGISTRY AND LAND ADMINISTRATION OFFICES WITH EFFECT FROM 23RD TO 26TH SEPTEMBER, 2019.

Since March, 2013 the Ministry of Lands, Housing & Urban Development has been implementing and updating the versions of software being used in the Land Information System (LIS). The System updates have been completed for all the other MZO registries apart from KCCA, Mukono and Wakiso.

The Ministry of Lands, Housing & Urban Development and KCCA now inform clients and the General Public that the process of updating the LIS at the KCCA MZO shall run for two weeks from 16th September 2019 to 26th September 2019.

From 16th September to 20th September 2019, the KCCA Survey and Mapping sections of the MZO will be discontinued in preparation for the upgrade but all other services shall be available to the public.

Thereafter, the KCCA Land Registry; KCCA Surveys & Mapping sections; and the KCCA Land Offices shall be closed to the public for the duration of four days beginning on 23rd September up to 26th September 2019, to enable the carrying out of crucial system up-grades of the LIS, which cannot be done while the offices are open to the public.

Please note that during the 4-days period of closure (23rd to 26th September), there shall be NO transactions received and/or registered. The KCCA Land Registry will re-open to the public on 27th September, 2019.

Vision: "Sustainable Land Use, Land Tenure Security, Affordable, Decent Housing and Organized Urban Development".

The closure applies to services of the Ministry of Lands Housing and Urban Development housed at KCCA and does not affect the services offered by the Directorate of Physical Planning of KCCA.

The Ministry and KCCA regret any inconveniences that will arise due to the closure of the Land Registry and Land Administration department offices, and assure the General Public that it is intended to improve and better the services of the KCCA Land Registry.
